

# 8<sup>th</sup> Grade Enrollment Form

LAST, FIRST NAME

LABEL

Students will input information regarding their classes during online registration at school.

**CORE CLASSES:** Your child will be automatically scheduled into these team classes. Should you wish your child to take a class other than the one indicated, please contact the school counselor.

**IMAGINEER CLASSES:** Read the course descriptions before making a selection. AVID, Band and Orchestra are year-long courses. Band and Orchestra students must begin in 7<sup>th</sup> grade. All other courses are semester courses. If your child took Spanish, Speech or Publications in 7<sup>th</sup> grade they may not take it again. Every effort will be made to place students in one of their chosen courses, however if courses conflict alternative courses may be assigned.

## Core Classes your child will be enrolled in:

Language Arts, Social Studies, Science, Reading, Physical Education, Life Education, and Tutorial.

Students will also be enrolled in either Math 8, Algebra 1A or Algebra depending on criteria met during their 7th grade year.

Should your child receive Gifted, English Language Development or Special Education services, those courses will be scheduled in place of the appropriate course(s).

If your child is accepted into AVID, it will take the place of two semester course selections below.

## Imagineer Choices

Please place 4 (X)s in the blanks and 1A and 2A as alternate classes. Remember, Band and Orchestra are year-long courses and count as 2 (X)s. They may not be taken as alternates
